

# East Central Wisconsin Association of Electrical Inspectors

TERRY FAMEREE, SECRETARY/TREASURER  
2313 SANDY LANE  
GREEN BAY, WI 54302  
(920) 360-2529

ECWAEI Minutes March 14, 2008

The meeting was called to order by President Vern Pitt at 10:00 AM.

Chris DeWaal from Raasch Associates did a 2 hr. presentation on NFPA 70E The Electrical Safety Code. The presentation consisted of the basic requirements from 70E and what goes into conducting an arc-flash study.

The afternoon session consisted of a business meeting and included the following items.

1. Kevin Kettner presented a request for us to sponsor Monte Ewing for a 2011 NEC code panel appointment. Motion was made and carried to proceed with sponsoring his expenses up to \$4000 if he is appointed.
2. Kevin Kettner requested the association draw names to send 2 people to the Wisconsin Chapter IAEI Annual Seminar in Elkhart Lake from May 14 thru the 16<sup>th</sup>. Motion was made and carried to proceed with same conditions we have been using to send people to the Western Section Meeting.
3. Discussion was held on how names are picked for attending Western Section and Wisconsin Chapter meetings. It was decided we would continue adding each members name to the drawing an additional time for each meeting attended. Also if a member attended 50% or more of the meetings in the year his name is chosen his name would go back into the drawing after 1 year otherwise his name would not go back in for 5 years. Motion made and carried.
4. Mark Summer requested we get some \$50 gift cards to be used to show appreciation for speakers doing presentations at our meetings. Motion made and carried.
5. Motion was made and carried to send a gift card to Chris DeWaal for todays presentation and Rich Moore for prior service to the organization.
6. Kevin Kettner requested we check with the Wisconsin Chapter IAEI about sponsoring a break at the Chapter meeting in May. Motion made and carried.
7. Discussion was held on continuing to contribute 2 NEC Handbooks to LTC, FVTC, and NWTC for their apprenticeship program banquets. It was also decided to contribute an NEC Handbook and a 2008 Analysis book to these 3 schools and Moraine Park in Fond Du Lac for use in their electrical programs library.

The meeting was adjourned at 2:30PM.

Our next meeting will be held on April 18 and Dan Costello from Eaton will be doing a presentation on Selective Coordination.

Respectfully submitted  
Terry Fameree  
Sec/treas. ECWAEI
